Notes to Condensed Consolidated Financial Statements (Unaudited)

Note 1 - Basis of Presentation

The accompanying condensed consolidated financial statements of Amazon.com, Inc. have been prepared in accordance with U.S. GAAP for interim financial information and the instructions to Form 10-Q. They do not include all information required for complete financial statements and should be read with the Company's most recent Annual Report on Form 10-K. In the opinion of management, all adjustments necessary for a fair statement have been included.

Note 2 - Revenue and Segment Information

Net sales by segment (in millions)

Segment	Q1 2026	Q1 2025	Change	Operating income	Prior year
North America	72,255	65,466	10.4%	4,480	3,775
International	31,370	28,379	10.5%	941	792
AWS	23,216	19,707	17.8%	8,358	6,598
Total	**126,841**	**113,552**	**11.7%**	**12,874**	**11,592**

Beginning in the first quarter of 2026, the Company reclassified certain enterprise support and professional services revenue previously reported in the North America segment to the AWS segment to align with how the chief operating decision maker reviews the business. Prior periods have been recast. For the three months ended December 31, 2025, North America net sales as previously reported were 94,355 and as recast 93,485; AWS net sales as previously reported were 23,863 and as recast 24,733. Consolidated net sales are unchanged.

Note 3 - Earnings Per Share

Diluted earnings per share were $0.98, based on net income of $10.3 billion and 10,600.0 million weighted-average diluted shares.

Note 4 - Commitments and Contingencies

The Company has commitments under leases, data-center capacity contracts and content agreements totalling approximately $190 billion, of which about a quarter falls due within twelve months.

Note 5 - Subsequent Events

The Company evaluated subsequent events through the filing date. No events requiring disclosure were identified.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Overview

Net sales for Q1 2026 (ended March 31, 2026) increased 11.7% to $126.8 billion from $113.6 billion in the prior-year period. Operating income was $12.9 billion (10.1% of revenue) compared with $11.6 billion (10.2%). Net income was $10.3 billion, or $0.98 per diluted share, compared with $9.3 billion, or $0.88.

Segment results

North America revenue was $72.3 billion, up 10.4% compared with $65.5 billion in the prior-year period, reflecting increased unit sales, advertising services and third-party seller services.

International revenue was $31.4 billion, up 10.5% compared with $28.4 billion in the prior-year period, reflecting unit growth in established markets and advertising, partly offset by foreign exchange.

AWS revenue was $23.2 billion, up 17.8% compared with $19.7 billion in the prior-year period, reflecting customer migrations to the cloud and demand for generative AI services, with new capacity coming online.

Gross margin and operating expenses

Gross margin was 48.6% compared with 48.7%. Research and development expense was $20.3 billion and selling, general and administrative expense was $28.5 billion, together 38.5% of revenue (38.5% in the prior-year period).

Liquidity and capital resources

Cash, cash equivalents and marketable securities were $93.3 billion and total debt was $58.0 billion at March 31, 2026. Cash generated by operating activities was $26.2 billion; capital expenditures were $17.8 billion. The Company paid dividends of $0.0 billion and repurchased $0.0 billion of its common stock during the period.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

There have been no material changes to the Company's market risk exposures from those described in its most recent Annual Report on Form 10-K.

Item 4. Controls and Procedures

The Company's management concluded that its disclosure controls and procedures were effective as of the end of the period. There were no changes in internal control over financial reporting during the quarter that materially affected, or are reasonably likely to materially affect, internal control.
